

DAVISON EAGLES NEWS

WORDS FROM YOUR PRESIDENT'S

MAY 2020

From Your President....

Hello Everyone! May is here once again. Spring, the season of renewal. Let us all pray that it brings a renewal in all the things that bind us, like the love of God, our Country and our Davison Eagles! Hope everyone is staying healthy in body and mind. For those of us that have been ill or have family that is, lets all continue to pray for God's strength and healing hands.

As frustrating as it has been stuck at home watching the news and social media, there has been some bright lights. So many people out there finding ways to help each other out. Whether its through donations of food and money or a kind word and prayer. It gives me hope for the future.

At the time I'm writing this letter we still have no idea when we'll be able to get our club reopened, but it won't be soon enough! I miss ALL of you, even you Jenn! It's going to be hard, while I'll want to hug and shake everyone's hand. I'm sure the new social norm will deem this behavior unacceptable. Please forgive me in advance. Seriously though, please everyone continue to use good judgement in your sanitizing and social interactions. Please join me in praying that this is all behind us soon! Until then , be safe and continue to be "People Helping People" PS Logan says Dilly-Dilly!

Your Proud Worthy President, Mike LeClaire

From Your Madam President...

CrAzY DaYs are upon us Fellow Eagles!! It's snowing, yet again as I write this. I pray by the time this is in print, the cold days are long gone. And the anticipated date we can all reunite is on the horizon. I am sure it will be a gradual gathering along with precautionary measures maturely applied. The stress of this situation has really put a hurting on some of us, so please continue the loving support of friends, neighbors and family as we get back to some form of normalcy. God has given us time to reflect on what really matters in this thing we call life and I hope we have all come to the conclusion that we are blessed! We are social beings, some less than others, but as a WHOLE we NEED ONE ANOTHER!! I thank God we have this beautiful place we can gather and enjoy each others faces!! "Air Hugs" Elbows, elbows, Toes, toes whatever it takes!! I cannot wait to be goofy together again. God Bless us all!! Prayers for Essential workers, First Responders, Front Line workers, Leaders, Non-Essentials, ALL of US!!

Your Proud Madam President, Marcy Fox

THANK YOU'S AND CONGRATULATIONS !!!

THANK YOU FROM THE KIDNEY CHARITY!!! The Davison Eagle Riders, Auxiliary and REAC gave checks to the Kidney Foundation. I am very appreciative for the donations since we are all trying to stay safe from the Corona Virus. Everything that was planned for raising money for the Kidney charity had to be canceled. My love goes out to all for your donations. I plan to try and still do some functions to raise money for next year, down the road, if possible. All funds will go to the Grand Aerie and maybe Davison will receive a grant match. The check will be presented to McLaren for Kidney Patients.

State Kidney Chairman, Teri Webber
